

FIRST PUBLISHED STANDINGS of the Herald Workers!

Today appears the first published standing of the workers in the Herald's Bonus Check Campaign. At the present time no worker has secured much of a lead in Points toward one of the big Bonus Checks, and a worker down in the list could with little effort secure enough points to jump to the top of the list. Some in this list have not turned in a single subscription. Those who are not active a week from today their names will be dropped from the list.
